Criterion IV	Learning Resources and Infrastructure			

Report

The Eco Club of Sri Venkateswara College successfully organized its Orientation Drive 2025-26 on 2 September 2025 in the Seminar Hall from 11:45 am to 1:00 pm. The event aimed to raise awareness about the Eco Club's vision, mission, past activities, and future plans while encouraging new students to join as active members. The session started with a detailed presentation on the Eco Club's future plans. This was followed by a showcase of past initiatives such as Vertical Gardening, the Green School Initiative, and WWF workshops. Then, the core team for the 2025-26 tenure was introduced and announced. Later, faculty members Dr. Pankaj, Dr. Pooja Gokhle Sinha, Dr. Vineeta, and Dr. Urmi addressed the gathering with inspiring speeches. They discussed the mission, vision, and future prospects of the Eco Club and highlighted the importance of sustainable practices.

To have a little fun in the crowd, a Game Zone also took place, bringing energy and smiles to the members. The session wrapped up with a closing note and a Q&A round, successfully concluded.

The event saw enthusiastic participation from 50 students. Many registered as club members and signed up for additional roles in the team. The Orientation helped create awareness, encouraged collective participation, and marked the start of another impactful tenure for the Eco Club.

The combined efforts of the coordinators, professors, and student volunteers ensured the success of the Orientation Drive 2025-26.

Orientation

About Eco Club

- **Eco Club, Sri Venkateswara College** is a student-led society promoting environmental awareness and sustainable practices.
- Provides a platform for students to engage with ecological issues and work towards a **greener future**.
- Key activities: cleanliness drives, awareness campaigns, paper recycling, plantation drives, audits, and sustainability workshops.
- Organizes events like **Swachhta Pakhwada** and collaborates with NGOs such as **Smiling Tree**.
- Promotes green campus initiatives: plastic-free practices, renewable energy use, and eco-friendly technologies.
- Supports national goals like the National Solar Mission and waste reduction.
- Instills responsibility, civic engagement, and environmental stewardship among students.
