1. The students of **Semester VIII** can opt for one of the following combinations:
 - I. **Combination I: THREE DSEs + DISSERTATION/ACADEMIC PROJECT/ENTREPRENEURSHIP**
In this combination, a student can take **THREE DSEs** of the **Parent Department**.
 - II. **Combination II: TWO DSEs and ONE GE + DISSERTATION/ACADEMIC PROJECT/ENTREPRENEURSHIP**
In this combination, a student can take **TWO DSEs** of the **Parent Department** along with **ONE GE OR ONE DSE (As GE)** of the **Non-Parent Department**.
 - III. **Combination III: ONE DSE and TWO GEs + DISSERTATION/ACADEMIC PROJECT/ENTREPRENEURSHIP**
In this combination, a student can take **ONE DSE** of the **Parent Department** along with **ONE GE (ONLY)** of the **Non-Parent Department** **AND ONE DSE (As GE)** of the **Non-Parent Department**. In any circumstances, a student is **NOT ALLOWED** to take **TWO GEs** of **Two Different Non-Parent Departments**.

IV. Combination IV: **THREE DSEs, ONE GE and ONE SKILL-BASED COURSE** (Only for the students of Prog Courses who did not opt for the Dissertation/Academic Project/Entrepreneurship in Semester VII) [Not Applicable for the Hons Courses]
In this combination, a student can take **THREE DSEs** of the **Major Discipline** along with **ONE GE (ONLY)** of the **Non-Parent Department** and **ONE SKILL-BASED COURSE**.

2. In case a student wants to opt for the **DSE** of the **Non-Parent Department** as **GE**, it must be ensured that the classes of the **DSEs** offered by the **Non-Parent Department** **DO NOT CLASH** with the classes of the **DSEs** offered by the **Parent Department**. In case of any such clash, a student must change his/her allocated course within five days of the release of the list of allocation. Also, before making any such choice, the students must ensure that the **SEVEN GEs** of a particular **Discipline/Department** qualify a student for a **MINOR** in that subject, **provided** they have a **Major Degree**.

For All Courses Semester VIII

1. The discipline of GE must be different from the Core Discipline. For example, a student pursuing B.A. (Hons) Hindi can opt for GE of any department excluding the Department of Hindi.
2. 7 GEs of a particular discipline/department qualify a student for a minor in that discipline, provided s/he has a major degree.
3. A major degree is possible only after the completion of **FOUR** Years (**EIGHT** Semesters) of the Undergraduate course.

For B.A. (Prog) Semester VIII

1. All students of B.A. (Prog) need to study **ALL** DSEs of the Major Discipline only.
2. The students of the B.A. (Prog) can choose any one GE Course offered by the Non-Parent Department (Only for the students of Prog Courses who did not opt for the Dissertation/Academic Project/Entrepreneurship in Semester VII),

For B.Com. (Prog) Semester VIII

1. All students of B.Com. (Prog) need to study **ALL** DSEs of the Parent Department only.
2. The students of the B.Com. (Prog) can choose any one GE Course offered by the Non-Parent Department (Only for the students of Prog Courses who did not opt for the Dissertation/Academic Project/Entrepreneurship in Semester VII)

For B.Sc. (Prog) Life Sciences Semester VIII

1. The students of B.Sc. (Prog) Life Sciences need to study at least one DSE in either semester III/IV, and then in all the following semesters, and do a Dissertation/Academic Project/Entrepreneurship in that stream in both Semesters VII and VIII. In case a Life Science student does not want to do a Dissertation/Academic Project/Entrepreneurship, s/he needs to choose **THREE** DSEs from the major discipline (Botany/Chemistry/Zoology) along with **ONE GE (ONLY)** of the Non-Parent Department and **ONE SKILL-BASED COURSE**.
2. The students of the B.Sc. (Prog) Life Sciences can take any GE Course from departments other than Botany, Chemistry, and Zoology.
3. The students of the B.Sc. (Prog) Life Sciences can get a minor degree only in Botany/Chemistry/Zoology.

4. The students of the B.Sc. (Prog) Life Sciences cannot get a minor degree in non-core disciplines, since they need to do 9 DSEs for a major degree. This leaves the option for 5 GEs. So, the 28 credit points cannot be accumulated for a minor in non-core disciplines.
5. The concept of Major and Minor comes only if a student pursues FOUR Years (EIGHT Semesters) of the Undergraduate course.

For B.Sc. (Hons) Biological Sciences Semester VIII

1. The students of the B.Sc. (Hons) Biological Sciences can opt for THREE DSEs + DISSERTATION/ACADEMIC PROJECT/ENTREPRENEURSHIP.
